I am enclosing herewith ten (10) copies of Termination Inventory Schedule B which contains the residual inventory at New York on the "C" Program (Subcontract 100-7).

The contents of the enclosures have been reviewed by the cognizant personnel at this facility, and it has been determined that the items contained in the Inventory Schedule do not have any further value. Therefore, it is our recommendation that the items be scrapped.

It is respectfully requested that the enclosures be reviewed by your office, and if our recommendation is acceptable to you, please so indicate by signing and returning to the undersigned, one copy of this transmittal.

Very truly yours,
